What's New at the Board?

The Governor has re-appointed to the Board professional member, Yong Deng, L.Ac. Also appointed as a professional member, Joseph Balensi, L.Ac. Welcome to the Board.

I want to thank, out going professional member, Dana Price, L.Ac. for her dedicated service to the Board for the past three years. Thanks again, you will be missed.

Our website continues to be developed and things added to enhance communication and education between the Board, the public and practitioners.

You can now do a query to look up an acupuncturist, determine their license status, get their address and telephone number of record. Find out if there is any past disciplinary action and if any, what it was.

More information was added to the FAQ and consumer information sections

We continue to plan and add things to the website to better serve and educate the licensees, certificate holders and the public.
